Our Mission

To support all young people's growth towards fulfilling and responsible adult lives, A4Y develops physical, mental, spiritual, moral and cultural abilities which act as:

- A Springboard towards realising dreams
- A Safety Net for those at risk
- A Voice of influence from the young and for the young

In order to benefit as many young people as possible while maintaining A4Y's financial stability, we partner with those (government, schools, youth clubs, businesses, trusts and foundations and others) who share our mission.

What we do

Action4Youth delivers various youth programmes including the National Citizen Service (NCS), The Inspiration Programme (TIP), Breakout and an established mentoring programme.

Action4Youth takes the strategic lead for the voluntary organisations supporting children and young people aged 5 – 25 years across its area. It has around 50 organisations in membership and offers a range of essential support and services.

Our outdoor education centre, Caldecotte Xperience in Milton Keynes, creates opportunities for young people to have amazing, challenging, fun and sometimes transformational experiences. They learn what they can do rather than what they can't, building their confidence and self-belief.
